

Bruce Wick provides public testimony at Fraud Assessment Commission Review Panel!

- a. This review panel receives proposals from 46 of the 58 District Attorneys in California, for incentive funding to combat Workers' Compensation Fraud.
- b. This year, \$42 Million will be awarded to those DA offices.
- c. With this incentive funding, the District Attorneys throughout the state prosecute almost \$1 Billion of WC fraud annually.
- d. Bruce Wick reminded the District Attorney personnel of the need to keep prosecuting those claims that impact individual employers.
- e. Sometimes the DA offices can focus on the big dollar prosecutions, like provider fraud.
- f. Bruce advised that applicant(employee) fraud needs to be prosecuted as much, as well as premium fraud from underground employers.
