Intended for children age Pre-K through Grade 5, creates many opportunities to build the foundation of our children's relationship with God.

SUNDAY SCHOOL

Every Sunday at 9:00 a.m., children from Pre-K to 5th grade are invited to gather for age-appropriate learning. Our program first has all children participate in joint games and activities before splitting into two groups by age. This format helps build a sense of community while also providing tailored lessons and activities for different age groups. Through activities, crafts, and discussions, children go deeper into their understanding of God's Word. Serve as a teacher, helper, substitute, or extra set of hands for Sunday School.

Children return to their families during the Peace. Share your gift of storytelling with our children or help as a set of hands to assist our leader about once a month.
