JANUARY 27 - FEBRUARY 3

THIS SUNDAY

A FEW REMINDERS

First, masks are always an option. Those who wish to wear a mask are encouraged to do so. Second, for the good of all we encourage you to make a simple bow to each other at "The Peace." There's clear evidence that hand shaking transmits illness as much as any other means. You might consider doing the same after the service when greeting one another. It does feel awkward but our goal is keeping everyone healthy and safe. Additionally, please know that communion in "one kind" (bread only) is considered "full" communion.

THANKFUL

There's much to be thankful for at Trinity. I am particularly grateful for all the members of Trinity's Vestry who partner with me in Trinity's leadership. I'm pleased that Trinity's Vestry is a diverse group of members ranging from life-long and long-term members, to those who have newly arrived. The Vestry is diverse in age, family make-up, gender and in particular gifts and skills. We have a strong team leading Trinity into this new season as we continue to pick up all the pieces from times of lockdown and quarantine. Though it may seem like those days are long past, there are ways we are still working to put things right. A special thanks goes to Trinity's Wardens for 2023, Katherine Ray, our Sr. Warden and Dave Hensley, our Jr. Warden. When you see any member of Trinity's Vestry, please thank them for their service. By Grace, Scott+

HEALING STATION

Available at the 10:45 Service

During the 10:45a service, a healing station is offered for your prayer and intercession. The healing station is to the left of the pulpit. You are welcome to visit the station before the service begins or after you receive communion. Trained lay leaders and clergy offer anointing with holy oil. You can ask for specific prayers for yourself or those you love, or simply receive the anointing.

Dear Trinity,

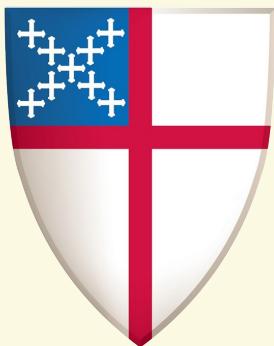

For the past 10 years, I have been active in ministry at the Church of the Advocate. My time at the Red Door has been a blessing and an amazing journey. As a religious brother, I'm required to move into another ministry direction after 5-8 years. I will be redirecting my ministry as a Franciscan friar to working with the sick and recovering. My new position will be as a religious pastoral visitor at the Haywood Respite Center and some work as a chaplain to the sick and recovering at other facilities. I want to thank my brothers and sisters at Trinity for your support and dedication to the ministries at the Church of the Advocate. Your generosity to the many ministries at the Red Door is amazing. Thank you for living out Matthew 25, "Whatever you do to the least of these, you do it to me.". Please pray for me as I begin a new ministry. I will always give thanks for you and your love. My last day at the Church of the Advocate will be Tuesday, January 31 at the 9:30 healing service. Mother Teresa once said, "I never wanted to change the world. I only wanted to be a drop of pure water that reflects God's love." Thank you Trinity for being a drop of pure water to my life and the lives of all who walk through the Red Door.

In Christ,
Brother John Huebner, Franciscan Missionary Friars, Order of St. Francis

Thank You
from
Brother John
