GOLF

John Hermans, PGA Director of Golf, John@MontreuxGolf.com

Happy spring, Montrêux Members! Temperatures are warming, snow is melting, and green grass and golf season are right around the corner! While the golf course maintenance team is busy prepping the course for opening, the range and practice holes are currently open and available for you to start knocking off the rust.

Spring in the air also means a fully stocked golf shop! This is the time of year that we begin loading up the shop with the latest and greatest golf apparel and equipment. Be sure to stop by, and our team will gladly assist in outfitting you with your new golf wardrobe for the season. Megan Stremmel, our recently hired Merchandise Manager, and Golf Professional Connor McDaniel have been busy the last 6 months ordering all of our gear for the 2022 season, and they are eager for you to come peruse. While global supply chain issues are certainly affecting the golf merchandise world, we have been ahead of the game and have most everything you need currently in stock.

Our Golf Professional team once again has a full slate of golf instructional and developmental programs lined up for you in 2022. Whether you are a junior, a complete beginner, or a seasoned veteran, we have programs and instruction tailored to take your game to the next level. Specifically, instructors Brian, Warren, and Jan have already lined out the instructional calendar for the entire season. Watch for our golf advertisements for all necessary details on these programs.

Finally, as always, our member golf event calendar is full of exciting and challenging events, and we can't wait to crown all of 2022's champions. Please pay close attention to our weekly golf emails, through which we will advertise all golf events. All events will be open for signup well in advance this year, so be sure to plan ahead and have your partner for each event lined up, as our events have been selling out almost immediately when signups open.

See you all on the course soon; we look forward to a spectacular 2022!

FITNESS

Brett Jaekle, Director of Fitness, Brett@MontreuxGolf.com

Are you ready for spring? Swing by the Fitness Center and put some spring in your step! There is so much excitement in the air for the coming months! 2022 will be a year to remember at the Fitness Center.

This summer, don't forget to get the kids involved in all of our exciting events! We kick off with our annual boys and girls Summer Kids' Camps! Campers will participate in a variety of exciting activities weekly, including swimming, hiking, fishing, trips to Wild Island Waterpark, rock climbing, teambuilding, crafts and much more. The kids will get to enjoy plenty of outdoor adventures that allow them to challenge themselves, build confidence, and learn teambuilding and responsibility. See the next page for our full summer camp schedule!

montrêux makos swim team

Joining the swim team can give kids many benefits and be incredibly rewarding. It gives them the chance to be part of a team, build camaraderie, improve skills, get consistent physical activity, set and strive for goals, and have a lot of fun! We look forward to seeing all swimmers both past and new participants in the pool this spring! The swim team is open to all members ages 5 - 15.

Doug Heinrichs, Superintendent, Doug@MontreuxGolf.com

Spring is here, and it has brought us some very nice weather. We have been very busy cleaning the course after the winter, and are part-way through aeration.

Currently, most of the tees and greens are finished, and fairway aeration will begin next week. As of the end of March, we have just removed the last of the covers on the tee boxes of holes 5 and 18, and they are in perfect shape. A few of the greens were less fortunate, and received some damage due to the heavy weight of the snow and ice on the covers during December and January. The repairs on those areas are almost complete, but will need some time to root down before allowing traffic on them.

The voles were quite active over the winter due to the extended snow cover, and consequently we are currently repairing an extensive amount of vole damage. Some bunker faces and areas surrounding a few greens and tees will require sodding due to the voles' winter appetite.

As has been the case for the last several years, we are removing broken and cracked areas of our cart paths, and will be pouring new cement during the first two weeks of April. For the bocce ball players, we have recently installed a new fence along the courts as a safety feature.

Our spring opening dates are:

- **April 15** – Holes 1-10 open (hole 6 will remain closed for a short time while the sod repair roots down)
- **April 29** – Course fully open

I look forward to seeing you all on the course soon!

CLUB DINING

David Medina, Director of Food & Beverage, DMedina@MontreuxGolf.com

Tyler Markvicka, montreux masters winner

Tyler Markvicka officially works as a dishwasher here at Montrêux, but anyone who's had the pleasure of meeting him will tell you that he can—and does—do it all. His work ethic is second-to-none amongst our staff, demonstrated by his willingness to help out wherever needed, be it in the "dish pit," cleaning up in our back storage dock, or even helping out on the line in the kitchen. Tyler's consistently great work ethic has led him to become our most recent Montrêux Masters winner.

Originally born and raised in Nebraska, and having lived in Reno since the age of 14, Tyler celebrated his 30th birthday in March. He has worked at Montrêux since December 2021, and has also worked in construction and in other food and beverage jobs, including *Burger Me!* in Reno.

Tyler's favorite aspects of working at Montrêux include the stress-free work environment he enjoys here and his helpful management team and coworkers around him. In his free time, Tyler enjoys hiking, fishing, and camping with his 4 year-old son.

employee spotlight

Joel Giandalia, Assistant General Manager, Joel@MontreuxGolf.com

Joel started in his new role as Assistant General Manager in March of this year. We're all excited to welcome Joel as he oversees all training and the Marketing & Membership and Facilities departments!

Joel originally moved to Reno in November of 1990 for work and skiing. He brings with him to Montrêux a wealth of experience, ranging from golf to food and beverage, operations, management, and more, at locations many native to the area would recognize: Sommersett Golf Club, *Charlie Palmer*, and *Eldorado*, to name a few. Many of our members may recognize Joel as the owner of SoDo Restaurant.

Joel's favorite things about living in Reno are the outside opportunities it brings. A golfer, skier, and NRA Certified Instructor, Reno provides great avenues for outdoorsmen like Joel to pursue their interests. Likewise, the best things about Montrêux so far for Joel have been all the activity around the Club, and the fact that his workplace has a "grass floor" most of the time!

After much consideration and re-evaluation, the Board of Directors of Montrêux Golf & Country Club has decided to discontinue Montrêux Cares as a committee of the Board. As our membership continues to grow and become more diverse, we believe it is in the best interest of the Club for our members to individually support their personal special interests and charities.

Thank you to all of our members who submitted their individual charities for consideration in *Bear Tracks!*

Nevada Physician Wellness Coalition

The Nevada Physician Wellness Coalition is a 501(c)(3) organization formed to address the negative community impact of physician burnout and physician suicide by providing physician well-being programs and a Physician and Physician-family Resource Line. After two years of a pandemic, this issue is more important than ever; burnout is high and physicians are leaving the field. Nevada already faces some of the worst physician shortages in the country. Find out how you can help care for the caregivers at www.nevadaphysicianwellnesscoalition.com.

John Scott, General Manager, JScott@MontreuxGolf.com

Sadly, the Montrêux community lost two longtime members in March, with the passing of John Barber and Michael Cho.

John Barber was born on May 15, 1947, and had been a member at Montrêux since retiring in 2002. John was an avid golfer, skier, and music fanatic, and also enjoyed coaching youth sports, particularly t-ball and basketball. John passed away on March 25. He is survived by his wife Susan, brother Andy, two sons Matthew and Andrew, and his four grandchildren.

Michael Cho had been with us at Montrêux since 2011. Born in Seoul on December 19, 1945, his pursuit of higher education led him to the United States, where he was instrumental in opening some of the first Acura dealerships in the United States. A passionate and talented golfer, Michael was a member at both Montrêux and ArrowCreek, and won the Montrêux Club Championship in 2017. Michael passed away on March 7, and is survived by his wife Joanne and son Tony.

Please join us in sending our deepest condolences to the Barber and Cho families.

John Barber, 1947 – 2022

Michael Cho, 1945 – 2022

MUSIC AND MIRACLES

MUSIC CHANGES EVERYTHING

Music and Miracles 2022 – June 5, 2022
Montrêux Golf and Country Club

Please join Renown Health Foundation for the inaugural Music and Miracles concert benefiting Renown Children's Hospital and Sophie's Place, with special thanks to this year's title sponsor, ZLINE Kitchen and Bath. In what is sure to be a sold-out affair, The Beach Boys will provide an outstanding concert on the fairway at Montrêux Golf and Country Club.

Funds raised will support pediatric care and the construction and programming for Sophie's Place, a dedicated music therapy space for Renown's youngest patients.

Each package will be assigned a specific seating area and will receive a picnic basket with wine and hors d'oeuvres to be enjoyed al fresco on the fairway of the third practice hole.
