Focus Product

Creative Cuisine specializes in soy-free vegetarian meat substitutes.

Dark Vege Shreds are textured wheat protein with meat-like texture and feel. The Shreds are easy to use and store because they are dehydrated; soak them in your favorite broth for 5 minutes and they are ready! Try them in soups, casseroles, stir-fry, or tacos!

Campmeeting Sale

We will give you campmeeting pricing on all items when you pre-order with us! No need to go to Redwood, Pleasant Hill, or Sacramento to save. Just tell us what you want and we will get it! For a list of available items stop by the VFS or email vfsoperations@reddingacademy.org.

Thank you for supporting RAA!
