

Healing Hands Ministries of Pakistan Community Newsletter

November 2020

In September, the boys started back to school. In October more beds were purchased and the Home for Girls began to be prepared! The Sponsoring of individual children has begun. More Missionaries are visiting, sharing the Word of God and financially helping and / or spreading news of the needs of the beautiful Pakistani people here.

BACK TO SCHOOL!

While covid -19 put a stop to school attendance for months, the boys have eagerly returned! A girl is seen here also. Many more girls want schooling.

\$30 / USD a month makes it possible for boys and for girls to have a safe place to live, food to eat and schooling plus opportunities to know Jesus Christ!

Regular donations are needed; please use the website www.healinghandspakistan.org; mark for ongoing monthly donations for projects, Operating Costs,

Founder and Pastor Qaisar Shahzad writes:

In Pakistan we see our children in need. Many street living children with no one to care for them. Children in brick kiln fields work slave labor. Many work in domestic child labor. These children are valued and loved by Almighty God.

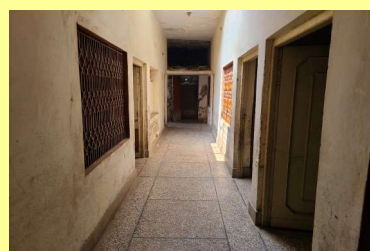

He says of them in Jeremiah 1:5 "Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations."

By God's Grace we will continue to work to save these children.

Preparing to Open the 2nd PAKISTANI HOPE CHILDREN'S HOME by God's Grace!

The Building Next Door is larger than the 1st Children's Home, but needs fixing up, safety + basic furnishings and appliances.

Perhaps you can make a special year-end contribution to this ministry: It would be most appreciated.

Pakistani Hope Children's Home Staff

Improving Staff Remuneration: Good Help is Hard to Come by!

We have a significant ministry opportunity! As you may know, Healing Hands Ministries of Pakistan currently operates an orphanage for 40 boys, and has plans to expand the ministry to more area orphans, including girls!

The Need: Currently, 7 dedicated Christian people work every day to care for the boys, yet with no regular or normal financial compensation, no set salary, in a place where Christians have difficulty finding employment, are often persecuted and are left to starve in times of disasters and pandemics. The Orphanage does not house the workers or their families. However, they are worthy of, and are in need of, a regular salary for their work!

The Plan: For Christian transparency and fiscal responsibility the funds given for the staff, as designated by regular financial contributors, will be separated from the funds given for the children and general operating costs. This is a change intended to better provide for the needs of both the children and the adults.

We would like to be able to tell you that “one staff person is fully funded” and so on, until all positions are funded, beginning at USD \$200/month per Staff person. Ideally, some would receive more per month – \$300 – \$450/USD.

The Action: Please pray and follow the leading of the Holy Spirit in this matter. Can you fund ½ of a salary? One or more salaries? Please let us know! (See contact information below.)

Left to Right: Qaisar, Nazim, Gulzar, Waris, Asif, Asher, and Lazarus.

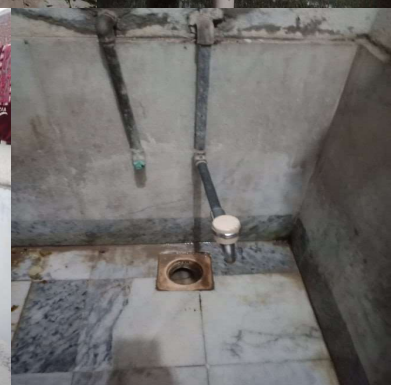

Impact Opportunities

Seemingly small things make a big difference in our daily lives. Imagine 40 boys and seven men sharing two toilets, one sink and two showers! Oh the morning routine! They all want to get on with breakfast, worship, and learning activities.

Picture cooking outdoors, in the heat that averages 94-110° F with high humidity this time of year, what a tangible relief an exhaust fan would provide!

Pakistani Hope Children's Home urgently needs the following:

- 2 Security Guards, 12/hr shifts @ \$400/mo
- 2 toilets, 1 sink
- 4 showers
- 1 kitchen exhaust fan
- Over the counter Medical supplies
- 1 Air Conditioner for the bedroom

You may contact “Mom Darlene” with Pear Tree Ministries, (501c3), or Sherilyn Greenlaw, “Mama Lyn” to the orphans, at sdgreenlaw.ma@gmail.com.
