Housing and Treatment

Guest speakers:

Quentin Brown

Project Manager TLP/Restart, Mercy Care

Matthew Kelly

Lead Housing Liaison, Mercy Care

Come join us for an informative presentation about treatment and housing resources that are available to individuals with Serious Mental Illnesses. We will discuss treatment and housing resources to address how to best manage mental health symptoms in conjunction with skills for independent living. We will also discuss housing situations where mental health treatment is offered as part of housing along with housing options where treatment can be sought in community settings. You are welcome to ask questions as we discuss a variety of available options.

NAMI Valley of the Sun provides educational meetings of interest regarding mental health. These educational presentations are of general information only and are not intended to be personal mental health advice or therapy. We provide information obtained from a variety of trusted organizations. Please consult your primary care physician or mental health practitioner before taking any action on information provided through these educational presentations.
