A young girl with long brown hair, wearing a vibrant floral dress in shades of pink, blue, and orange, is riding a carousel horse. She is smiling broadly and holding onto a golden pole. The carousel horse is painted in shades of pink and red with blue accents. The background is a blurred, colorful scene of a fair or festival.

# Welcome

On behalf of the Parker Chamber of Commerce and its members, I'm excited to welcome you to our thriving community. As the 2026 Board Chair, I can confidently say Parker is one of the best places in Colorado to grow a business while enjoying a connected and supportive community.

Through advocacy, professional development, and networking, the Chamber fosters a strong environment for business success. Just as important, we help create opportunities for the community to connect. The Parker Days Festival and Wine Walks are more than events—they're traditions that

strengthen relationships and showcase the character of our town.

Of course, location matters too. Parker offers the perfect balance: a welcoming small-town atmosphere with quick access to Denver, the Tech Center, DIA, and Colorado Springs. It's the kind of town where you'll still run into friends at the grocery store—and they'll actually stop to chat.

Whether you're here for business or considering making Parker your home, know that the Parker Chamber and its members are here to support you. We are proud to be a hub for local businesses and the community, ensuring Parker remains a fantastic place to live, work, and thrive.

**Jon Rowlett**

The Town of Parker works closely with the Parker Chamber of Commerce and other groups to offer pro-business programs and initiatives that support local business. In turn, you can find whatever you need here—everything from small,

mom-and-pop merchants to national retailers and more.

Thank you for choosing Parker! With your support, we can make sure our community continues to grow as a great place to live, work and play!

## HBS Trash: Local Service, Lasting Commitment

For Parker residents and businesses looking for reliable, community-minded waste disposal, HBS Trash stands out as a local leader with deep Colorado roots. Founded in the mid-1980s, HBS built its reputation by serving homebuilders—those familiar red dumpsters have been a fixture on jobsites across the Front Range for decades. In 2018, local owners Tom Miller, Eric Miller, and Brian Cleveringa purchased the company with a vision to expand its services while keeping its hometown values intact.

Today, HBS Trash serves more than 90,000 stops each week, offering a full range of services including weekly residential trash pickup, construction site service, commercial dumpster programs, and roll-off rentals. Whether you're managing a construction project, a business property, or a neighborhood HOA, HBS delivers dependable, responsive service backed by state-of-the-art technology and personal attention.

What sets HBS apart is its Colorado-owned and operated identity and

unwavering accessibility. When customers call, they're not routed to an out-of-state call center—they're speaking with a neighbor who knows the community. The HBS team takes pride in communication, reliability, and keeping local streets clean while maintaining open, honest dialogue about sustainability and recycling practices.

As the company looks ahead, HBS remains optimistic about innovations in recycling and sustainability, continuing to work with partners and legislators to make local recycling more efficient and effective.

Proud to call South Denver home, HBS Trash is also a high-level member and presenting sponsor of the Parker Chamber of Commerce, actively supporting local business growth and community connection.

For waste solutions with integrity, reliability, and a personal touch, choose HBS Trash—your neighbors in clean, sustainable living.

## Lifetime Remodeling: Trusted by Parker Homeowners

When Parker residents want to transform their homes with confidence, they turn to Lifetime Home Remodeling — a proud Colorado-founded company built on craftsmanship, integrity, and care. Founded in 2009 by Peter Svedin with just a credit card and big determination, Lifetime has grown from a one-bedroom startup into the nation's #1 Infinity by Marvin window dealer, with locations across multiple states and deep roots right here in Parker.

From energy-efficient windows and impact-resistant roofing to stylish bathroom renovations, custom decking, and siding replacements, Lifetime brings beauty, comfort, and lasting value to every home they touch. What truly sets them apart is the Lifetime Cares Commitment, providing lifetime coverage on both parts and labor—transferable to the next homeowner. That level of assurance is rare in remodeling,

and it's just one reason Lifetime has earned an A+ BBB rating and two Torch Awards for Ethics.

Lifetime also believes in giving back, supporting causes like Habitat for Humanity and Firefly Autism, and they're the proud Presenting Sponsor of the chamber's Downtown Parker Wine Walks each summer—celebrating the vibrant community they call home.

For Parker homeowners ready to remodel with confidence, Lifetime Home Remodeling is the trusted local favorite.

# Parker Days Festival

Parker Days is the one weekend a year that all families look forward to. The festival started in 1970 and has continuously grown ever since. Starting out as a way for families to connect with one another, Parker Days has turned into a summer-in-Parker staple.

During the second weekend in June, thousands travel to Parker from all across Colorado to enjoy the rides, live music, carnival games, funnel cake, street vendors, and time with friends and family.

The best thing about Parker Days is that there is something for everyone. At Parker Days you may find the one-of-a-kind art piece you have been searching for, or maybe you'll spend the night dancing to the infamous 80s cover band. Either way, there is something fun for everyone to enjoy at the festival.

At Parker Days, there are multiple different stages filled with live music from phenomenal cover bands. While you're waiting for your kids to finish up their carnival games, take a stroll and check out the 200 Marketplace artists and vendors offering a wide variety of goods.

What's something everyone looks forward to at a festival? The food! There are nearly 100 food vendors located at the festival with everything from funnel cakes to gourmet tacos and crepes. The beer gardens are popular places to sit with friends and drink a cold glass of beer or

wine on a hot summer day. Additionally, there are lots of activities for kids and families, including street performers, games, and all the typical carnival attractions.

Unlimited ride wristbands and tickets can be purchased online or on-site of the carnival. We hope to see you there.

## Wine Walks

Presented by:

Downtown Parker Wine Walks are one of our most treasured summer traditions. Five times each summer – on “final Fridays” May through September – about 1,000 residents and visitors converge on Downtown Parker for a beautiful summer evening event. After a quick visit to the Chamber to check-in, pick up a wristband, and grab a glass, participants head to Mainstreet to visit approximately 20 downtown pouring merchants.

Not only are Wine Walks a wonderful community tradition, they are a key economic driver for Parker’s downtown business owners. Wine Walk is a great way to shop and explore new stores. After Wine Walk, enjoy dinner at one of our many excellent downtown restaurants. It’s a great way to end the week, support the chamber, drive success to downtown businesses, and have a great time with friends and family.

Learn more or buy advance discount tickets at [www.ParkerWineWalks.com](http://www.ParkerWineWalks.com).

Tickets are also available at the door.
