**Instructions:**

1. Stamp the Peony and the words onto the Whisper White cardstock.
2. Use Die Cutting Machine to emboss the large Whisper White panel, to cut the shape for the words, to cut the petal pink die, and to create the scallop along the edge of the pink Designer Series Paper panel.
3. Adhere the pink and gray DSP strips together – off set slightly. Attach to Whisper White card base with dimensionals – leaving about ¼” border along the fold
4. Attach the Peony panel to the card front, Place dimensionals on the right side of the panel and use Stampin’ Seal on the left side. This panel will overlap the DSP layer slightly.
5. Use Stampin’ Seal to attach the ribbon.
6. Attach the Petal Pink die cut shape over the ribbon.
7. Attach the word die cut with dimensionals.
8. To finish the card, add an Elegant Faceted Gem.
