# You're Invited!

We would be honored to have you and your whole family as our special guests, while we celebrate the founding of Watoto Read.

WATOTO (Swahili for "children") READ is a new, independent, nonprofit organization incorporated in Ohio. Watoto Read was formed in order to respond to the crisis of refugees in Sub Saharan Africa. Our focus is on education. Our first initiative is to provide shelters for children to attend school, as currently most camps teach outdoors. We hope you can come help us celebrate and learn more about Watoto Read.

If you can come, RSVP to Claudine Leary at 304-612-4168 or by email at [claudine.leary@watotoread.com](mailto:claudine.leary@watotoread.com)
