Dear Exhibitor:

Thank you for your reservation for the Multi-Chamber Table Top Expo and Networking Event at Norwalk Community Technical College on Thursday, March 14, 2019.

You will be assigned a six-foot table with a tablecloth. Tables will have numbers on them. We will provide you with a Table Tent Card with your Organization's name and name tags for your registered staff.

NOTHING MAY BE HUNG FROM THE WALLS OR CEILING.

If your exhibit has a back panel, please inform us as we will try to put such exhibits with backs to the walls.

Set-up begins no sooner than 1:00pm. EXHIBITS MUST BE READY BY 1:45pm.

Here are important details you need to know:

- Doors will open for the general public at 2:00 P.M. and will close at 5:00 P.M.
- Please do not start breaking down until the Expo closes at 5:00 P.M.
- There is a parking lot in front of the WEST building. It fills up quickly. If necessary, there is more parking on the East side. Unload at the West campus door and then move your car to the East building, rear, if necessary.
- For unloading, there is a ramp and a door with an "auto open button" just to the right of the main front doors.
- Admission for this event is free for attendees

You are encouraged to bring associates and clients, as they are potential customers for other exhibitors. And be sure to post on Social Media that you will be there!

As multiple Chambers of Commerce are participating, this promises to be a fantastic event and we encourage you to visit the other exhibitors as well.
