- Provide appropriate healthcare to students and staff when needed.
- Planning and implementing school health management protocols and procedures, especially for emergency situations.
- Assessing the status of student immunization documentation.
- Promoting an optimal level of wellness among students and staff by providing preventative healthcare services and recommendations.
- Stay up to date on the latest medical situations and prevention measures given by local, state, and federal health agencies.
- Providing referrals to parents for intervention for the health of our students if needed.
- Completing medical paperwork, when necessary.
- Attending various school meetings.
- Other tasks assigned by the administration

Qualifications:

- Must be a New York State registered nurse.
- 3-5 years school experience preferred.
- Pediatric experience preferred.
- Qualifications to go through the NYC Department of Health preferred.

Since 1927, the Yeshiva of Flatbush has stood at the forefront of American Jewish education and has set the standard of excellence emulated by other academic institutions. It has imbued its students with a thirst for knowledge, a commitment to Torah, Mitzvot, and Zionism, a love of the Hebrew language and the dedication to serve the greater Jewish and secular communities. The school philosophy is a synthesis of Judaic studies, liberal arts and extracurricular activities that places great emphasis on the students' character development. It has evolved into a unique complement of Jewish and American values that focuses on all aspects of education and enables our graduates to meet the challenges of college and life. In the years to come, we look forward to continuing the traditions of excellence, innovation and leadership that have made us a world-renowned institution.
