

Please Consider KI in Your Year-End Giving

As we celebrate the end of 2024 and consider our many blessings, please consider including KI in your charitable contributions.

Your tax-deductible gift can take many forms including:

1. A gift to support a specific program, or to honor or memorialize a loved one
2. An endowment gift for a specific purpose
3. An unallocated gift in 2024 to be used for a future purpose (i.e. yahrzeit contributions, events, Spring Celebration etc.) in 2025
4. A planned gift (wills, insurance policies, or charitable remainder trusts)
5. Donate long-term appreciated stock to KI. No one pays tax and you get a charitable deduction for the full market value of the stock
6. If you are 70.5 and older, and have not yet taken your complete Required Minimum Distribution (RMD) from your IRA, please consider making a Qualified Charitable Distribution (QCD) from your IRA. Such a distribution is treated as non-taxable income.
 - a. If you are interested in making such a contribution, either this year or next, please contact your IRA trustee (typically a bank or brokerage firm) to complete the required forms.
 - b. Your trustee will need only the Name and Address of KI which is a tax-exempt charitable organization.
 - c. CARES Act provisions – above-the-line deduction for charitable gifts up to \$300 single/\$600 married filing jointly.

Our synagogue could not accomplish its holy work without your support that perpetuates the operations and maintenance of our synagogue. Your gift makes the difference!
