The Office of Enrollment Management is excited to announce our Virtual Summer Orientation sessions for incoming students that are taking place throughout the months of June and July. Considering the current COVID-19 pandemic and understanding there are many concerns and questions from parents, we will also host a Parent Orientation in June and July regarding the steps the College is taking to protect and safeguard students as they transition to the College during the pandemic. Additional information will be distributed soon.

The Office of Residence Life is currently reviewing Resident Assistant Applications for Fall 2020. Applicants who are selected for a Zoom interview will be notified on June 15, 2020.

The Office of the Chaplain appreciates the great participation during the *Let's Pray Together* calls hosted by Maxine Bolden, College Chaplain. The prayer calls will continue each Wednesday at 10:00 a.m. We offer all Tougaloo alumni, student organizations, and departments the opportunity to host a prayer call with Chaplain Bolden, so please reach out to her at mbolden@tougaloo.edu for more information.

The Division of Enrollment Management and Student Services will continue to put the health and safety of our students first by offering virtual programs and services that demonstrate the spirit and excellence of Tougaloo College.
