The Reality of the Incarnation
IN AN ARTIFICIAL WORLD
A Contemplative Approach

Contemplative Underground Advent Workshop
Tuesday, December 15, 2026
5pm PT / 6pm MT / 7pm CT / 8pm ET on Zoom

The Season of Advent invites us into a time of waiting, watching, and listening for our God. However, our culture of instant gratification and the rise of artificial intelligence are doing their best to erode our patience, deceive our eyes, and plug our ears. How do we encounter the Reality of the Incarnation in such a world? Join us on Contemplative Underground to explore this question and others through contemplative wisdom, led by Br. James Dowd, OSB.
