

Welcoming the Stranger

An Episcopal Response to Immigration

Join us for an evening of clarity on Anglican / Episcopal teaching and learn more about the current challenges facing our Nebraska neighbors.

TUESDAY, SEPTEMBER 8TH
7:00 - 8:30 PM
ST. ANDREW'S
EPISCOPAL CHURCH
925 S 84TH ST.

What We'll Explore:

- **The Teaching:** Rights, responsibilities, and the dignity of the person.
- **The Reality:** Current migration pathways and the experience of refugees/immigrants in Omaha.
- **The Response:** Practical ways to put your faith into action.

"Safety built on fear is an illusion. True safety comes when we replace fear with compassion, violence with justice, and unchecked power with accountability. That's the vision our faith calls us to live out—and the promise our country is meant to uphold."
