## CALIFORNIA LIONS FOUNDATION

### MISSION STATEMENT

California Lions Foundation (CLF) is a California, non-profit, tax-exempt, 501(c)(3) corporation with the sole purpose to provide matching financial grants to California Lions Clubs. CLF matching grants are provided to enable California Lions clubs to provide even greater service to their local communities.

### BENEFIT STATEMENT

Matching financial grants will be available to clubs and districts to meet various needs and projects in their respective communities through a Grant Application process. Grant criteria are specified to assure that CLF does not duplicate services or grants already available from another foundation or source. The dollar range of CLF grants will be focused on projects from \$500 to \$10,000. This will eliminate any potential duplication in grants available from LCIF.

### FUNDING STATEMENT

Funding for the Foundation will be provided from donations from corporate sponsors, individuals, Lions Clubs and local Lions.

CLF will provide a valuable vehicle for Lions clubs to approach California corporations and individuals actively seeking partnerships with service groups as part of their "Social Mission" and our "Social Conscious" campaigns such as Lions Eyes Across California Project. These individuals and corporations can be assured that 100% of their donations will serve Californians through California Lions.

### Planned Giving/Bequests/Memorial program

### MAJOR DONOR CONTRIBUTIONS

A partnership spotlights major contributions that would have an immediate impact to the foundation in both assets and marketability. More and more California corporations are actively seeking partnerships with local foundations as part of their "Social Mission." In today's growing socially aware business world, it is not enough to generate a great product, but a company must also show how it is giving back. The Lions of California are a natural fit for these California-based companies.
