

God Creates Living Things

Create Creation

CELEBRATE
WONDERTM

Session 2 • Ages 6–8

Finish drawing the other half of each animal.

God Creates Living Things

Bible Story Retelling

Narrator: Then God created living things.

God: Let me create wonderful things! But, what creature should I create first? How about things that live in water.

All: *Make a fish face.*

All: *Clap your hands like a shark.*

God: Next, I will make things that fly.

All: *Flap your arms like a bird.*

God: These creatures are amazing and beautiful. Each animal I have created is very good!

Narrator: Then it got dark and night came. The next morning God created more living things.

God: I want there to be many different kinds of animals. I will create livestock and farm animals.

All: *Moo like a cow.*

All: *Baa like a goat.*

All: *Gallop like a horse.*

God: Now I will make things that will crawl on the earth. I will make tiny creatures that squeak and scurry.

All: *Crawl on the ground like a mouse.*

God: Something is missing. We need big and wild animals.

All: *Make a trunk like an elephant and a loud, trumpeting noise.*

All: *Roar like a lion.*

All: *Hoot and holler like a monkey.*

Narrator: God saw all the amazing, living things and was happy. Everything was so GOOD!
