

God Creates People

Caring for the Earth

CELEBRATE
WONDER

Session 3 • Ages 9+

Instructions

Journal about the question in the space provided. In the box containing the words "I can care for the earth by..." make a list of ways you can care for the earth.

When God created the earth, God put people in charge of caring for it. What does that mean for people today?

I can care for the earth by...

God Creates People

Fill in the Face

Instructions

Our Bible story (Genesis 1:26–2:4) says that God created humans in God’s image. It also says that after God was done creating, God rested. Use the face template to draw yourself as God sees you. In the empty space around your self-portrait, on one side, write things that you create. On the other side, write things that help you rest or relax.
