

February is Kindness Month.

Kindness Month is an invitation to do something kind for others like:

- Give a compliment to a stranger
- Do something extra for your loved one
- Show appreciation to someone who really needs it
- Support local business

Exeter Area Chamber "Community Cash" is a great way to show support for our members and make wonderful gifts. They come in several denominations and can be purchased online at exeterarea.org/community-cash/

If you'd like more information on participating or advertising with the "Community Cash" gift certificate program, please email bobbi@exeterarea.org.

Big New Dermatology Center Coming to Stratham
By Howard Altschiller, Portsmouth Herald

A co-founder of ConvenientMD has received approval to build a 10,000-square-foot medical office at 23 Portsmouth Ave., on what is now an overgrown lot between the 110 Grill and Market Basket.

The Stratham Planning Board approved Optima Dermatology's application to build what is touted as a cutting-edge medical facility, including 18 exam rooms, a Mohs surgical unit for skin cancer and on-site pathology.

The Stratham location will break ground this spring, and there are two other facilities planned: one in Windham and one in Portland, Maine. Their initial business plan calls for seven locations in New Hampshire and six in Maine. They are already operating 13 practices in Indiana and Ohio. The business employs 200 people, including approximately 50 at the "practice support center" located on Heritage Avenue in Portsmouth.

MEMBER NEWS

**MVSBS Supports Hope on Haven Hill with \$25,000 Tax Credit Purchase**

MVSBS (Meredith Village Savings Bank) recently purchased \$25,000 in tax credits through the New Hampshire Community Development Finance Authority (CDFA) in support of the capital campaign for Hope on Haven Hill.

Kerry Norton, Executive Director of Hope on Haven Hill stated that these funds will support the continued construction of their multi-purpose program center in Rochester that will allow them to serve many more families. Once the center is constructed, they will be able to launch a workforce development program to help the women they serve attain and retain housing and employment. They are thrilled about the support they have received from MVSBS and the rest of the community.

CDFA tax credits allow businesses to fund qualifying economic or community development projects in exchange for a tax credit that can be applied against state business tax payments. Any business with operations in New Hampshire that contributes to a CDFA tax credit project receives a New Hampshire state tax credit worth 75 percent of their contribution. The credit can be used over a period of five years to reduce the business' state tax liability (business profits, business enterprise, or insurance premium taxes). The tax credit program allows New Hampshire businesses to use their state tax dollars to support local projects that they care about.

**Seacoast Area CROP Hunger Walk Raises Money for Hunger Relief**

Seacoast Area CROP Hunger Walk raised \$51,207 towards ending world hunger and supporting local food banks at their walk in October of 2021. This is a substantial increase from 2020, where they raised \$38,000. That was their highest total until 2021.

Over the last five years, they have increased their total year over year, starting at \$9,400 in 2015 to the \$51,207 that was raised in 2021.

Of that total, \$38,400 will go to Church World Service in supporting their goal and the United Nations goal of ending world hunger by 2030. \$12,500 will go to food banks in Exeter, Brentwood, Greenland, Portsmouth and Hampton as well as End 68 Hours of Hunger in Portsmouth.

Of the 133 people that walked in 2021, 55 were in Exeter and many others walked in Deerfield, Hampton, Portsmouth.

To wrap up the Exeter walk, the Leftist Marching Band played and people returned from 2 and 3 mile walks for pizza, meat pastries, ice cream and conversation.

**Chase the Ace Kicks Off with Donation from Cambridge Trust**

The EACF's Community Children's Fund kicked off their sixth Chase the Ace game at Shooters Pub on January 4th! Neighborhood bankers Rachael Ela & Ryan Pope joined in the festivities to help conduct the game's first drawing and to present a \$5,000 contribution to the Community Children's Fund from the Cambridge Trust Charitable Foundation in support of the fund's efforts to provide warm winter clothing and bedding to needy children in 11 local communities. Cambridge Trust is proud to be a part of the Exeter community and to be a partner with organizations like the Community Children's Fund. Cambridge Trust strives to not only give back to our communities but to sustain our mutual pursuit of the common good.

**Exeter High to Create Special Education Living and Learning Center**

A substantial renovation on the campus of Exeter High School is underway converting a district-owned house into a new special education living and learning center.

The center on Epping Road will teach life skills and independent living to high school students. As the first school district transitional living center in New Hampshire, this project was approved by the New Hampshire Department of Education using federal Individuals with Disabilities Education Act funds.

The new independent living and learning center will enable students to learn a variety of practical skills for independent or group home living such as food preparation, kitchen skills, laundry, self-care, home maintenance and gardening. Students will also learn social skills, problem-solving and work-based skills and tasks that are needed after high school. Skills for community-based activities and employment skills can also be taught and practiced at the new independent living center.

Prior to this project, the house was a rental property. Renovations are expected to be completed in September for the start of the 2022-23 school year. Most of the renovation will be performed by SAU 16 maintenance and facilities staff members.

FROM THE CHAMBER OFFICE

A LETTER FROM OUR PRESIDENT

February is a great month to show your love and appreciation for the things that are important to you.

What's important to us? YOU- our members! We strive to be mission-driven and member-focused in all we say and do so we can support our member businesses and build community. We are grateful for you, your investment in the Chamber, and your contributions throughout the community.

There are lots of ways you can show your love and appreciation for your fellow Chamber members- and it all starts with cultivating and building connections with them. The Chamber provides many ways to do that: Attend a networking event or program; reach out to them in the Member Information Center; Take a picture and tag other members on social media; Listen and sign up to be a guest on our Podcast "The Chamber Buzz with Bobbi". As Bobbi always says: people do business with people they know and trust.

Another great way to show your support for our local businesses is through the Community Cash Gift Certificate program. Since the program's inception, we have kept over \$500,000 right here in our local community.

For more information on our podcast, events, Community Cash, and marketing opportunities, please reach out to us or visit our website exeterarea.org.

Commerce

WANT TO GET MORE PEOPLE INTO YOUR BUSINESS THIS YEAR?

Consider hosting a Morning Mixer or Business After Hours in 2022.

Email Bobbi Vandenbulcke, Director of Member Partnerships, at bobbi@exeterarea.org to learn more!

WE DON'T KNOW WHAT WE DON'T KNOW!

Exeter Area Chamber Membership is more than just a sticker on your door. We represent YOU, and the issues that are important to YOU. Every organization that joins the Chamber gives a more powerful voice to help make change happen to improve our economy, our communities, and our overall lives.

During my 13 years as the Member Services Director, I have seen members come and go, communities grow, and thrive. The Chamber will always be here for you. We truly are an organization that wants to help each and every business reach their goals to become successful and make all of our communities a better place to work, live and play.

It's about helping each other in our communities through connecting with each other, giving a helping hand, and supporting each other. The Chamber is here to help you and give you a bigger voice.

What can we do for you? Reach out to us. Meet with us. Tell us what's important to you. Let us help you. We don't know what we don't know. Let's work together to build long-lasting, healthy business communities.

MARKETING TIP OF THE MONTH

Whatever you are in planning your 2022 goals are - January isn't the only time you can set goals! - make sure you keep them smart.

- < Specific
- < Measurable
- < Achievable
- < Relevant
- < Timely

Set yourself up for success by planning your specific tasks in measurable increments that you can accomplish in a timely manner.

To simplify even more: make sure you're setting goals for things that you can do and track.

Achievability is the real key to goal setting.

Not only do you actually accomplish a goal but checking things off your list can give you a sense of accomplishment and fuel your motivation to get through more goals!

Note: Dreams and visions are different from goals. Both are important and both serve their own purpose. If you think of it like running a marathon, dreams and visions are like the finish line and goals are each of the mile markers.

You approach the run one mile at a time — same with smart goals!

BE OUR GUEST

CHAMBER BENEFIT SPOTLIGHT

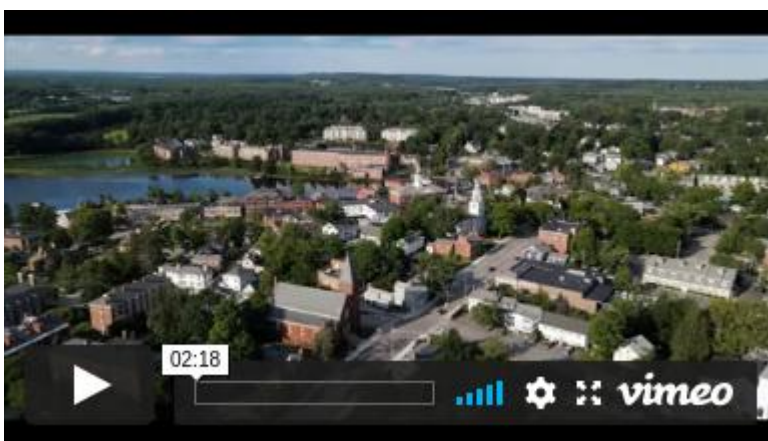

When you're a member of the Exeter Area Chamber, you get free access to the 2 networking opportunities the Chamber offers each month: Morning Mixer and Business After Hours.

Morning Mixers and Business After Hours offer members and their guests the opportunity to meet new people and strengthen existing connections in a no-pressure atmosphere. They happen on the same day of the week and time of day every month, so you can plan ahead.

But wait, there's more! Members get the opportunity to host a Morning Mixer or Business After Hours at their location. This is a great way to get people in the door to learn about you and what you do.

Email the Chamber's Director of Member Partnerships, Bobbi Vandenbulcke, at bobbie@exeterarea.org to learn more.
