## York Suburban School District Non-Public Transportation Request Form

To request non-public transportation services, please complete this form and return it to the student's school building. The student's school will verify the information, make a copy for its records, and send it to York Suburban School District. Requests sent directly to York Suburban School District by parents/guardians will not be accepted. A new form is required for every school year during which the student needs transportation. The student will not be assigned to a vehicle until a new form is received.
