ECO – ENERGY FAIR

Save the Date!

Saturday, 8th November 2025, 10am to 2pm

St. James' Church Centre, Wetherby

FREE entry

All welcome

Home energy workshop – saving you energy and money in your home.

Find out what's happening locally with the **Boston Spa Energy Efficiency Trial**, **St James' Church 'road to net zero'** and new technology like solar, battery and air source heat pumps.

And, do you know why so many people are concerned about climate change? Explore the subject with our **keynote speaker Brenda Ainsley (from The Climate Reality Project)** - and what we can each do to help our families and within our communities.

Free entry. Displays, presentations, refreshments, craft thrift sale and lots more.
