

Powering God's

Northern Powerhouse

Sat 1 December | Wakefield Cathedral | 10am - 4pm

**Sustainable church heating and lighting conference
for churches across the North of England**

**Join us as
we explore
the following
questions:**

Why this is a gospel issue?

**How do I work with my building to
achieve energy efficiencies?**

**How to light my church to support
worship and community use well?**

**How do I heat my church to provide a
warm welcome?**

**How can my church fund a heating or
lighting project?**

Book / Book your place from 1st September
