

Virtual Dance Classes: Student Access Info & Class Schedule

(Class Dates: May 1st – May 29th)

NPAC will be holding virtual dance classes through an app called Zoom. Please review information below on how to access/prepare for virtual classes:

- Download the Zoom app (www.zoom.us) on whatever device you will use for the class. We recommend picking the largest screen you can (laptop or iPad).
- You can use the Zoom link to log in a few minutes before if you want to make sure everything is set up and ready to go. (You won't be interrupting previous classes as each class has a separate link.)

**NPAC IS OFFERING A 20% DISCOUNT FOR ALL VIRTUAL DANCE CLASSES TO STUDENTS WHO
CONTINUE PARTICIPATING**
