

Thoroughly Modern Millie Virtual Rehearsal Schedule

NPAC will be holding virtual rehearsals through Zoom.

- ◆ Download the Zoom app (www.zoom.us) on whatever device you will use for the call. I recommend picking the largest screen you can (laptop or iPad).
- ◆ Please have your script ready and a phone available to access and play tracks from the music link on cast resources. <http://www.musicalpracticetracks.com/index.php/thoroughly-modern-millie/>
- ◆ Find a way to prop up the device so that the director will be able to see a headshot of the singer on the screen.
- ◆ Please tell others in the house to avoid streaming video or playing online games during the lesson time.
- ◆ Please click the link at the time of your scheduled rehearsal. You can use the Zoom link to log in a few minutes before if you want to make sure everything is set up and ready to go. (You won't be interrupting previous rehearsal as each rehearsal has a separate link.)

*If you have any questions or need any more help getting set up, this is a helpful tutorial: https://www.youtube.com/watch?v=sJq_OM5VcDY

If this is your first experience with online lessons you might be surprised how effective they are and how similar to normal in-person lessons. We are so thankful that technology allows us to continue to experience the joy of singing virtually!
