## FINANCIAL AID APPLICATION FORM

**NPAC's Performing Arts School promises access to all families. Regardless of their situation, no student will be turned away.**

We are pleased to be able to offer financial aid in the form of scholarships and payment plans.

% **Scholarships** will be granted to families who demonstrate a strong financial need or who would be otherwise unable to participate in our classes. Although we base our eligibility on the guidelines for Free and Reduced Lunch, we will work with any family regardless of income. Financial aid is awarded on a sliding scale, but all families, with exceptions only in the most extreme cases, will be required to pay a minimum \$50 processing fee deposit for class/lesson (\$75 for Productions).

**Payment plans** may be taken advantage of by anyone, regardless of financial need. This option is available to families who prefer to split their balance into equal installments each 3rd of the month terminating the 3rd before class starts. No application is required; if you would like to arrange a payment plan call the Naples Performing Arts Center at 239-597-6722.

Families applying for financial aid **MUST** be registered for a class/lesson or camp and submit the minimum processing fee deposit of \$50, those applying for financial aid for productions must submit a \$75, before a financial aid determination can be made. This amount secures the student's place in the class while the financial aid application is under consideration. This deposit is **NOT** refundable. You will be notified of your financial aid decision within two weeks of the application deadline. Unless prior arrangements are made with Lori Oliver, Founder and Director, the balance of tuition must be paid in full prior to the start of class.
