

Virtual Dance Classes: Student Access Info & Class Schedule
(Class Dates: March 30-April 30th)

NPAC will be holding virtual dance classes through an app called Zoom. Please review information below on how to access/prepare for virtual classes:

- ◆ Download the Zoom app (www.zoom.us) on whatever device you will use for the call. I recommend picking the largest screen you can (laptop or iPad).
- ◆ Please have your hair pulled back and wear clothing that allows for movement for dance classes.
- ◆ Find a way to prop up the device so that the teacher will be able to see you.
- ◆ Please tell others in the house to avoid streaming video or playing online games during the class time.
- ◆ Please click the link at the time of your dance class. This meeting url link can be found in the schedule below under your class information. You must have Zoom installed and be logged in, then click on the link for your class so you can enter into the virtual classroom.
 - You can use the Zoom link to log in a few minutes before if you want to make sure everything is set up and ready to go. (You won't be interrupting previous classes as each class has a separate link.)

*If you have any questions or need any more help getting set up, this is a helpful tutorial: https://www.youtube.com/watch?v=sJq_OM5VcDY

If this is your first experience with virtual classes you might be surprised how effective they are and how similar to normal in-person classes. We are so thankful that technology allows us to continue to experience the joy of dancing virtually!

NPAC has created a temporary class schedule for virtual classes. See the class schedule below along with MEETING URL LINKS which are what students will click on to access classes.

NPAC IS OFFERING A 20% DISCOUNT FOR ALL VIRTUAL DANCE CLASSES TO STUDENTS WHO CONTINUE PARTICIPATING

- ◆ Some classes are on different days/times than our normal class schedule; remember this is temporary. We will return to our normal class schedule when we get back to in-person classes.
- ◆ We will not hold any Acrobatics classes virtually. Those classes are on hold until we return to in-person classes.
- ◆ We will not hold Musical Theater Dance Classes virtually. Those classes are on hold until we return to in-person classes.
- ◆ Please note our regular in-person classes that were 45 minutes are 30 minutes virtually. This reduction in class time will be reflected in your pricing.
- ◆ For Ballet III- there are two classes during the week. Students in Ballet III must take both of those classes.
