Welcome to the month of February! 2020 has been off to a great start. We welcomed a lot of new people as well as new, fun activities.

Central Florida Arts has continued to introduce us to new activities that we have all enjoyed. We look forward to what is yet to come.

This month, The Legends are in town and will perform for us on Valentines Day! We can't wait to hear the beautiful love songs they will bring us.

Sherry and her magical flute will also be visiting us. So join us for a month of music and love.
