Share the Care – Winter Garden

As a 501(3) tax exempt (not-for-profit) organization, generous people often ask if Share the Care would benefit from cash or non-cash donations of any kind. The answer is, **"Absolutely!"** We depend on the kindness and generosity of individual and corporate donors to help us continue to offer the high-quality services and programs we offer to caregivers and their loved one's month after month and year after year.

In response to these inquiries about donations, each month our Adult Day Care Center directors compile a "wish list" for their respective center. Here is the Winter Garden list:
