Happy March

In like a lion out like a lamb. If the weather forecast is correct, March is going to start out COLD!

Speaking of colds, an important health tip for the season of pollen and indecisive weather, ensure you and those around you are washing their hands frequently. Our health is our wealth.

This month, our staff looks forward to implementing some CFCArts activities throughout the month. Additionally we have many spring

themed activities on the schedule, and can't wait for the spring weather.

Last month saw a celebration of Mardi Gras, Valentine's Day, as well as the performance by LEGENDS which is always a delight.
