# Happy September

It's been quite a while since a newsletter! College Park is glad to keep serving our caregivers and clients. Last month we enjoyed a variety of activities, and learned (or at least I did!) what it was like going to school "back then". This month, We are looking forward to working virtually with the UCF Communication Disorders program students as they work with us to bring new and innovative activities to us, backed by their studies.

Additionally, stay tuned for offerings from CFCArts, again all virtual! We'll be celebrating labor day, grand parents' day, with plenty of music, puzzles, and art in between.

## WHAT'S HAPPENING THIS MONTH

- 9/10 Songs about Work
