clariFy
Training Resources

- Modernized with a new, intuitive experience
- Digitally transformed, streamlined workflows
- Real-time status & metrics
- Reports & insights

## Help Center

◆ **Get the Help You Need—Fast!**
We've made it easy to find answers, learn new features, and get support when you need it.

◆ **Built Right Into clariFy!**
Built-in help is available in multiple ways: mouseovers provide additional insight, the **?** symbol links to specific in-app instructions, and the Help Center button is at the bottom of the navigation menu.

◆ **Use the Search Bar**
Located in the Help Center to quickly find articles, guides, and solutions.

Find quick answers without leaving the software!

Let's make your clariFy experience smooth and successful!

Webinars

◆ **BASIC** — This webinar provides training on the main clariFy workflows that most administrators perform during day-to-day management tasks.

◆ **INTERMEDIATE** — Intermediate level webinars are product specific and builds on the foundational knowledge and skills acquired through clariFy Basics webinars

◆ **MORE OPTIONS** — Visit our website for a full list of options: thinkipa.com/clarify-webinar

*NOTE: coverCare is complimentary with clariFy for 3 months
