

School-based Health Centers: COVID-19 Update

Your School-based Center team is here for you! Although school is closed, our providers can continue to provide health services to students via phone and through MyChart. MyChart offers patients a convenient way to contact your provider, get answers to non-urgent questions and participate in a video visit.

To schedule an appointment via video or phone with your School-based Health Center provider, please call **864-380-8995**
