

KINGS CONTRIVANCE ENVIRONMENTAL TOWN HALL

**MARCH 12, 7:00 PM
AMHERST HOUSE**

**Do you have environmental concerns?
Come talk with Christiana Rigby and Tim Lattimer!**

This will be a friendly town hall between Kings Contrivance residents and our county council representative Christiana Rigby and Tim Lattimer, Administrator of the Howard County Office of Community Sustainability.

KC CARES will moderate the discussion. Our speakers will present a brief overview of county environmental initiatives, highlight environmental accomplishments and goals, and then have an interactive & friendly discussion with residents. Our hope is to discover what we can all do to help our environmental aims have a chance of becoming reality.
