PRAESIDIUM
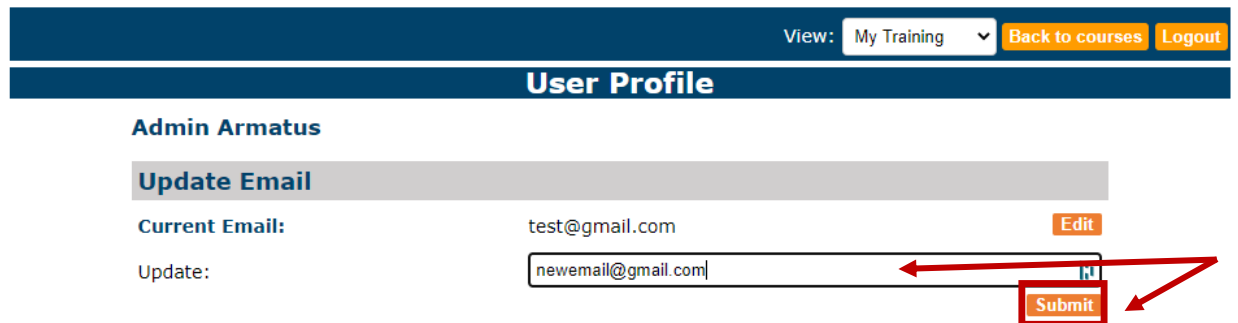

Updating an Email Address (for Learners)

1. Log into the Armatus training platform (praesidiuminc.com/login).

2. Locate your name in the blue toolbar. Click "edit profile" next to your name.

3. In the first section titled "Update Email", click the orange **Edit** button to update your email address.

4. Type in a new email address and click the orange **Submit** button.

5. You should see a green "Email address saved." Message and your updated email set as your "Current Email."
