A Colorado State Income Tax Credit Program  
Administered by El Paso County Economic Development Department

## Purpose

The Colorado Enterprise Zone (EZ) Program was created by the Colorado Legislature (C.R.S. Title 39, Article 30) to promote a business friendly environment in economically distressed areas by offering state income tax credits that incentivize businesses to locate and develop in - and non-profit organizations to assist with the needs of - these communities.

## Requirements/Eligibility Rules

Areas with high unemployment rates (25% above state average), low per capita income (25% below state average), and/or slower population growth (less than 25% of state average in rural areas) may be approved for EZ designation by the Economic Development Commission. Only taxpayers engaged in business that is legal under both state and federal law are eligible to claim EZ income tax credits.

## Program Description
