The minimum remuneration for Pulpit Supply is \$300.00 for preaching and participation in one worship service. Additional worship services whether the same or another language require additional remuneration negotiated by the preacher and the session. Sessions should consider the experience, skill and effectiveness of the preacher.

A Moderator's remuneration is between \$300 and \$350.00 per session or congregational meeting. If the Moderator performs other duties such as pulpit supply, funerals, weddings, counseling, visitation, etc., she or he should be compensated separately from the compensation for moderating.
