You could be eligible for a grant from The Presbyterian Committee on the Self-Development of People:

- Are you involved in a community growth project based on human dignity and self-reliance?
- Are you a working partner in a low-income, grassroots group searching for long-term solutions to systemic problems that keep people poor and oppressed?
- Is your project or program controlled by those who *benefit* from the collective effort?
- Does your program empower those involved in the project?
- Can you tell us why you need additional funding?

If you can answer “yes” you may be eligible to apply for a grant from the Presbyterian Committee on the Self-Development of People (no denominational connection is required).
