### Something For Everyone Year Round At Cub Scout Pack 396

The benefits of being a Cub Scout make a big difference in the course of a youth's life. From developmental years to adulthood, research shows Scouts gain life skills that set them apart long after their days in pack meetings. Kids can benefit from many key character-building attributes:

#### Family Time

We are a family pack, and that means your entire family can enjoy the fun of scouting together. Anyone kindergarten age or older, boy or girl, can join!

#### Get Outdoors

These days, it seems like we're all spending too much time inside, staring at screens. Scouting is a great way to get your family outdoors, and to help kids learn to appreciate nature.

#### Leadership

The scouting program provides kids many opportunities to develop leadership skills that will serve them well in their future lives and careers.

#### Goal Orientation

Kids learn to set goals and work towards them as part of the scouting program. Learning goal-setting and follow-through in scouting can help them in school and throughout their lives.

#### Preparedness

In the scouting program, kids are presented with challenges that they can overcome by learning and applying new skills. Learning how to solve problems creatively gives kids self-confidence that will help them to succeed in everything they do.

**Scouts is also about JUST HAVING FUN!!! Here are just a few of the special events that will be coming your way this year:**

**Raingutter Regatta  
Pinewood Derby  
Blue & Gold Banquet  
Rocket Rally  
Annual Picnic  
Magness Family Camp**

**Space Derby
