

NEW THIS YEAR FOR VEGAS 2020!

International attendees receive discounted rate and specialized content—Price: \$805

ASNR'S PASSPORT TO NEURORADIOLOGY BASICS AND ESSENTIALS

WHY ATTEND?

Passport to Neuroradiology Basics and Essentials includes both educational and networking opportunities **designed specifically for international members and affiliates:**

- **Education:** The best educators from around the world will use a practical and case based approach to review the most need-to-know material for anyone who interprets imaging of the brain, head and neck, spine, or who performs functional or pediatric neuroradiology. Focusing on the most commonly encountered and critical to recognize areas within neuroradiology, this will be great information and review for any practicing radiologist.
- **Networking:** International attendees are invited to our new ASNR International Breakfast on Tuesday morning, June 2nd to connect and network with colleagues from around the world.

TRACK INCLUDES:

- Sunday night Welcome Reception
- Monday all day Basic and Essentials content
- Tuesday all day Basic and Essentials content
- Tuesday morning International Breakfast (and any international attendee coming to the meeting will be invited)
- Wednesday morning Basic and Essential content
