

Purpose

- PolicyStat is an online platform for the DDA to publish and share policies related to DDA's programs, services, and procedures. Participants, families, and providers can view DDA's active policies at any time through the [site](#).

How to Use PolicyStat

- **Searching for Policies**
 - Through the [DDA's PolicyStat](#) link posted on the [DDA website](#), anyone can read the DDA's publicly published policies. Click the link to be taken directly to the DDA's [PolicyStat](#) index.

- The link on the [DDA's website](#) leads to a filtered search for policies in the following Policy Areas:
 - Administration;
 - DDA Programs;
 - Fiscal Services and Operations;
 - Forensic Services; and
 - State Residential Centers.Scroll down to see a list of all policies in the selected policy areas.
- To limit the list to policies on a specific topic, type keywords into the search bar below the Policy Area filter box, and click the search button. This search looks at the full text of the policy, not just the title.
