Welcomes Courtney Little. Don't miss the chance to experience Courtney Little LIVE performance at “Awareness is the key to Change Conference” Celebration ADA #32

The Arc Mid-South is proud to support the Americans with Disabilities Act (ADA) 32nd Anniversary. On July 26th we celebrate this important civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the public. The purpose of the law is to make sure that people with disabilities have the same rights and opportunities as everyone else. #ADA32 #
