

Attend the Manitoba Beef and Forages Initiatives Grazing Workshop

**August 9th, 2018
9:30am-3:30pm**

Intersection of Highway 353 and Highway 10

Come out to MBFI get hands on experience and learn about:

- Different grazing systems being utilized at MBFI in the classroom and pasture
- Tips and tricks to building a planned grazing and rotational management system
- Benefits of planning your grazing rotation

Bring questions, concerns and maps of your farm pasture for discussion!

\$50/person or \$80/two person farm unit (lunch included).

Register by heading to <https://www.mbfi.ca/new-products/> or by calling or texting 204-761-3300. Registration closes August 6th. Limited registration available. Event will be held rain or shine, please dress for the weather. .
