

Shelter Island Recreation

COVID-19 Safety Plan

The COVID-19 Safety Plan is subject to change at any time based on updates provided by New York State.

Any changes to the plan will be share with families.

Wellness Checks

Screening Criteria

- Students and staff will be screened daily upon arrival.
- The screening will:
 - Verify the child's temperature is less than 100.3
 - Ask about symptoms related to COVID-19
 - Ask if anyone in the household recently has test positive for COVID-19
 - Ask if anyone has traveled to any states on the travel advisory list
- If any of these are questions are confirmed, they will be referred to the leadership staff on site.
- The leadership staff on-site will make a determination if a participant or staff member is able to stay on site based on the screening.
- When in doubt, we will be asking the participant or staff to leave the site.

Arrival

- Students and staff will be greeted and screened upon arrival as noted above.
- Students will receive information encouraging them to keep 6 feet of distance between themselves and until our staff gives them permission to proceed inside the building.
- Staff will do their best to screen students before entering the Recreation Center
- No Students will be taken as a drop off on the day of a program

Pick-Up

- Families will be kept from congregating when picking up their child.
- Families are asked to not come inside the building.
- Families will be asked to call 749-0309 when they have arrived and the child will be brought outside to the car.
- Staff will be strategically placed to keep appropriate distance from families.

Mitigation Techniques

The following mitigation techniques will be reinforced with all students and staff:

- Wash your hands often with soap and water for at least 20 seconds
- Clean and disinfect frequently touched objects and surfaces.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.
- Wear a cloth face covering over your nose and mouth.
- Do not touch your eyes, nose, or mouth.
- Stay at least 6 feet apart from other people.
- If you are sick, stay home except to get medical care.
- The sharing of objects will be limited. Students will be encouraged not to bring any unnecessary items from home.

PHYSICAL DISTANCE & FACE COVERINGS

The Recreation Center will have the staff maintain a distance of at least six (6) feet from students and other employees. The only exception to this is unless safety or the core activity requires a shorter distance. If that is the case, a face covering or face shield will be required.

Types of Face Coverings

- When physical distance is not able to be achieved, a face covering will be considered.
- Acceptable face coverings for COVID-19 include, but are not limited to, cloth-based face coverings and disposable masks that cover both the mouth and nose.

When do we wear face coverings (masks)?

- Students will be required to wear masks when they are less than 6 feet apart.
- Staff will be required to wear masks when they are less than 6 feet apart. In addition, staff will wear masks during our pick-up time for all students. Staff will use further PPE whenever the situation is warranted.

FACILITIES

- We will have physical barriers in key locations such as the front entry way to prevent students and staff from being exposed.
- The facility and equipment will be routinely wiped down with disinfectant.
- The facility will be sprayed down with a Clorox 360 machine nightly.
- The facility has installed a HEPA air filtration system.
- Signage will be posted reinforcing good hygiene, wearing a face covering, and physical distancing.
- Visitors to the program will be extremely limited.

- Members of the Recreation Center will be kept separate from students whenever possible.
- Entrances will be managed.

SYMPTOMS OF COVID-19 AT THE RECREATION CENTER

When symptoms of COVID-19 are displayed at the Recreation Center the following protocols will take place:

For Students

- Students will immediately be separated from the group.
- Our leadership staff will be consulted.
- If asked to leave, family will be notified immediately and asked to pick up the student. Students will wait in an isolated space away from the rest of the students.
- If cleared, students will have another wellness check with our leadership staff throughout the day.

Returning to the Recreation Center

- If student is asked to leave the Recreation Center with a fever of 100.0 or more cannot return to care for 72 hours and will require a doctor's note that they are symptom-free.

CONFIRMED CASE OF COVID-19 AT THE RECREATION CENTER

- If a case of COVID-19 is confirmed with a student or a staff member Suffolk County Department of Health will immediately be informed. Suffolk County or Nassau County will instruct the Recreation Center on how to proceed.
- Students and staff members that had close, sustained contact with individuals will be asked to self-quarantine from the Recreation Center. The self-quarantine can last 10-14 days based on the individual's exposure and symptoms.
- The only exception to this is will be if a person received a negative result from a COVID-19 test. Documentation must be provided.
