Presenter Biography - Joe Harford

Joe Harford is the president and founder of Reclamere, Inc., a NAID AAA Certified IT Asset Management company, which is located in Tyrone Pennsylvania. His main objective is to manage the strategic direction of the company and is responsible for the management of all enterprise ITAM program development. He works to ensure small businesses benefit from Reclamere's custom-fit, big business solutions and maximum security for clients' most valuable assets—their data.

Joe brings more than 20 years of experience in various industries and positions to his current leadership role, including excelling in sales for a technology company. He also has a strong background in training and development. Joe has an extensive educational background with both undergraduate and master's degrees in science from the Pennsylvania State University, where he is earning his PhD in Workforce Education and Development.
