Art Classes meet: Elementary classes meet 2x a week for 30 minutes.

Grades 5-8 classes meet 2x a week for 43 minute periods.

Art elective is offered 1x week for middle school.

Unit lessons include Four Disciplines of Art Education:

Art Making: Offers experiences with ways to generate ideas, develop, plan, reflect and revise, explore a variety of materials and techniques for both 2D and 3D work, develop our craft, work with the Art Elements and Principles of Design and express an idea, feeling or meaning in art.

Art History: Offers experiences about a variety of artists, art styles, time periods, and art from around the world.

Art Criticism: Offers experiences with learning to describe, analyze, interpret and evaluate works of art through art discussions and writing assignments, and participate in art critiques.

Aesthetics: Offers experiences with questions of beauty, value, and art purposes.

Expectations:

- Follow all school expectations, and expectations for each part of our class:
1) Entering the room, 2) Teacher Instruction, 3) Work time and 4) Clean Up.
- Fully participate in all class activities.
- All work is completed in the classroom and in a timely manner.
- Each student has their own art box.
- Students make and keep a sketchbook and an art portfolio.
- Students share their work through school displays and in the spring art show.

Thank you for the opportunity to work with your children.
