## The National Council on Disability

***invites you join a policy roundtable on Medicare coverage of  
seat elevation and standing systems in power wheelchairs***

**Wednesday, August 3, 2022  
1:00 – 3:00 PM, Eastern Time**

*CART and ASL provided*

**Background:** NCD is hosting this roundtable to elevate attention of the importance of such complex rehabilitation technology in anticipation of the “opening” of the current national coverage determination. The roundtable will be hosted virtually and include perspectives from Members of Congress, people with mobility disabilities, clinicians who evaluate and prescribe mobility technology, researchers with expertise regarding the evidence base, and other experts on the legal and policy implications of coverage.

**Agenda:**

- Opening Remarks
- Perspectives from Congress
- Perspectives of Persons with Mobility Disabilities
- Perspectives of Clinicians who Evaluate and Prescribe Mobility Technology
- Perspectives of Researchers on the Evidence Base
- Perspectives on Legal and Policy Implications of Coverage
- Next Steps for Pending Medicare NCD and Breadth of Support for Coverage
- Closing Remarks

**RSVP online**
