4th Annual Golf Tournament at Cordova Bay Golf Course May 28, 2025

Join us for our 4th Annual IKCA Golf Tournament! Have some fun while supporting a great cause. All funds raised stay local, helping our Island kids, youth and families affected by childhood cancer.

The Island Kids Cancer Association (IKCA) was founded in 2017 because year-round practical support for children and youth with cancer and their families was not available on Vancouver Island. This was a huge gap in services that had to be solved. Children, youth and families going through the unthinkable – a childhood cancer diagnosis – need ongoing support through all stages of their cancer journey.

Most families struggle with the necessities because they must shift into supporting their children. Extreme financial and mental health challenges can lead to a pervasive sense of isolation and destitution. Essentially, lives are turned upside down, and they are faced with a new normal that consists of hospital stays, travel, medical tests, procedures, scans and therapies.

Island Kids Cancer's outreach and programs help children and their families navigate their experiences, connect with one another and receive access to supportive resources and opportunities. IKCA assists families from across Vancouver Island and the Gulf Islands and works collaboratively.

As a grassroots charity deeply embedded in community, our operations rely on community-minded donors. The funds raised will help us continue this crucial support, and all donations stay local. This Golf Tournament is a fun opportunity to get out into the sunshine, enjoy some golf, and at the same time, support Island Kids Cancer Association as they continue walking with kids, youth with cancer and their families.

Thank you for your time, and we hope to see you May 28th !
