

# Dental Plans

Interested in choices for your Dental needs?  
Is someone in your family going to need  
Braces/Orthodontia soon?

**Your health benefits just aren't  
complete without dental coverage.**

Whether you need coverage for yourself or for  
a growing family, you'll appreciate the Dental  
plan's comprehensive benefits. Routine exams  
are covered at no charge. And the plan covers  
a range of preventive, routine and major  
services at a fraction of what you would pay  
without coverage. There's even an orthodontic  
plan with special pricing.

***Now, that's worth smiling about!***
