Report from Vestry

Dear Parishioners of St. Thomas,

We are happy to report that St. Thomas Episcopal Church is healthy and continues to grow. In the following pages you will find the highlights of our past year and our vision and goals for the coming year. We are deeply grateful for your involvement, excitement, financial contributions and support of our ministries and vision to Lead With Love. All of this is possible because of you.

The Rector, Wardens, and Vestry of St. Thomas Episcopal Church March 2, 2025

Saint Thomas Episcopal Church, Denver, CO Minutes from Annual Meeting February 25, 2024 Minutes

The meeting was called to order by the Rev. Terri Hobart. About 45 congregants were in attendance in person and on Zoom.

Rev. Terri opened the meeting with a prayer.

Angela McClam spoke about the pastoral care ministry. We are looking for this ministry to grow in 3 ways: 1) a card writing ministry open to the congregation after services once a month, 2) reaching out by phone once per quarter, 3) visiting congregates at their homes. Reach out to Angela through Realm or at church if you would like to support with this ministry.

Elsie Haley spoke on behalf of the Micah Council, a social justice group of members in the church. They are planning to put together forums in anticipation of the November 2024 election. She invited anyone interested in helping or presenting to reach out to the council. The Micah Council meets monthly on Zoom.

Co-Senior Warden Angela Pleasants gave a talk about the state of the church and plans for the coming year. 2023 was an amazing year for the church, as we led with love. She reviewed the goals met by St. Thomas including, but not limited to, leading with love, cultivating a culture of abundance, engaging our community, developing sustainable income streams and increasing our volunteer support of operation and events of the church. Our children's ministry is fully staffed! Our office spaces are all fully leased and more special events are being booked at St. Thomas. Much applause ensued.

Co-Senior Warden Karmen Carter spoke about the change in our treasurer role in this past year and realized that best practices include having the Treasurer not be a member of the Vestry as well. She introduced Brian Casey as Treasurer to present the 2024 budget.

Brian Casey presented that St. Thomas is in a good financial position and presented the budget packet that was available as a handout at the meeting. Among the goals in 2024 are to move to making St. Thomas carbon neutral— Xcel Energy will be replacing all lights with LEDs at no cost to us and are supporting the replacement of the boiler that needs to happen as well. There are many resources available to replace the boiler that Rev. Terri is exploring. The energy savings from replacing the boiler could considerably offset the cost of replacing it as well. Tyler Gonzalez has worked tirelessly to put licensing in place for this year's Summer Day Camps and for children's programs moving forward. Last year we budgeted for fundraising and we did not meet that goal, so that has been scaled back in 2024— we want to continue community events like the Spaghetti Dinner without the pressure of fundraising. Pledge and plate contributions have been strong and we will work to continue to grow there with the pledge campaign beginning in April.

Rev. Terri named that St. Thomas has the best vestry in the world and thanked Burns, Georgina Lucas, Angela Pleasants, Karmen Carter, Morgan Harrower and Amy Boatright (as clerk) for their service in the past year. We are a growing and healthy parish and are excited to look towards what is next, building community, our relationships with God, with each other and the world. Rev. Terri reviewed

the Racial Justice survey which showed that we are moving in the right direction as a congregation. A couple of anonymous respondents who do not feel represented in our church are invited to come forward to connect with Terri or a vestry member to share how we can do this better. Rev. Terri shared some stories about young people coming into the church recently and how the Holy Spirit is stirring in young people. We have a sacred responsibility that we have a thriving community that is here to support our next generation. Three families in our congregation are housing refugees and everyone has contributed to this crisis in our community. She expressed her deep gratitude for our church and the honor to serve the people in our community.

Q & A:

How many members do we have this year as compared to last year?

Our Average Sunday Attendance was higher last year than the year before—66 without Christmas and Easter, in the 70s including the holidays. Late 2019—ASA was less than 30. Our membership gained and lost an even number this year, breaking even.

The business of the meeting followed.

• Election of new Vestry members

Bernard Rowlett has been a member since 2002, taught youth group and his daughter grew up in this parish and is excited to serve on the vestry

Bernard Rowlett was elected unanimously.

Election of Diocesan Convention Delegates in Fort Collins in November 2024

Angela Pleasants and Liz Sunderland (alternates)

Burns Davison

Kathi Atkins

Laurel Sparks

All were elected unanimously.

The meeting concluded with the singing of Amen led by Angela Pleasants.

2025 ANNUAL GIVING CAMPAIGN

March 3 – April 9, 2025

LEADING WITH LOVE ~ SHINING CHRIST'S LIGHT ~ OFFERING HOPE

At St. Thomas we believe all people are beloved of God and we strive to live and proclaim God's love through our relationships, actions and words. As a community and as individuals, we are committed to **Leading With Love**, shining Christ's light in the darkness, creating safe spaces and offering hope, courage, peace and strength for the journey each and every Sunday and throughout the week. We are here for each other and for those in need. St. Thomas is a place of refuge for those who are wearied by the world and desire nourishment for the spirit and the soul. We welcome all to come as you are and to join us in the sacred task of loving a new world into being.

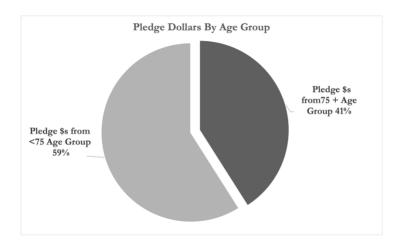

We are convinced the hope, love and good news that we have to offer our congregation and broader community are exactly what people need to navigate these challenging times in which we live. If you share our conviction and values, we invite you to make a financial commitment to St. Thomas to help us to continue make a difference in our community and the lives of people that we serve.

While St. Thomas continues to be a healthy, growing, vibrant community with a strong balance sheet and well managed operations, our pledge revenue, like other churches and non-profits throughout the country, reflects significant differences in generational giving patterns. Studies indicate that younger generations tend to place more value on volunteering and advocacy than on monetary commitments. Their smaller donations are often smaller amounts spread amongst numerous causes rather than significant commitments to a few organizations. Our pledge base reflects these trends. As such, forty-one percent of our pledge dollars come from individuals who are 75 years of age or older. In 2024, we lost \$16,000 in pledges revenue from parishioners who either died or were moved into memory care units. If we want to strengthen and sustain the legacy of St. Thomas for years to come, now is the time to address this trend. Our pledges reflect our commitment to the mission and future of St. Thomas.

Over the past five years the leadership of St. Thomas has significantly reduced operational expenses by renegotiating contracts, implementing energy conservation measures and reducing administrative staffing. We have also created an additional revenue stream by leasing available spaces and promoting our facility as an event venue. In 2024, we generated \$68,000 in building use revenue and expect that to continue to increase by 5-10% over the next three years. The only other significant source of income that we have comes from your pledges.

This year we are asking all members to commit to St. Thomas and the values and hope that it represents through a **proportional pledge** (refer to the next page). For those who already make a proportional pledge, we ask you to increase your proportional giving by 5%, if it is financially feasible. We understand that some people are on fixed or limited incomes. Please know that gifts of all sizes are appreciated and valued. Our campaign goal of \$205,000 will allow us to replace the pledges we lost last year from aging members. Our challenge goal of \$220,000 would provide a buffer against the pledges that we expect to lose as members continue to age. These goals are not unrealistic. If ten families could increase their giving by \$150-\$300/month, we would see an increase in pledge revenue of \$18,000 - \$36,000!

Your financial support is both significant and impactful in the life of our community. We ask that you return your pledge form by **April 9, 2025.** This allows us to project our revenue and and more effectively manage our resources. Together, we can continue to make a difference in peoples lives by **Leading With Love, Shining Christ's Light and Offering Hope.**

What Is Proportional Giving?

Proportional giving means that your gift is in proportion to your income. You give a certain percentage of your annual gross income as a gift. It is a biblical concept that encourages people to give according to their means. This Biblical notion of proportionality is the ultimately fair way of giving. You pledge and give in proportion to what you have or make.

Proportional giving puts our faith in God first. It shifts our thinking from scarcity to abundance. We give back to God out of the abundance of what God has given us. This simple act can shift our entire relationship with money from one of fear to one of hope.

Communication Covenant

- 1. If we have a concern or issue that involves someone, we will discuss it with that person privately.
- 2. If someone has a concern or issue with another person and comes to us, we will send them to that person.
- 3. If someone is reluctant to come to the person with whom they have a concern, we will offer to accompany him or her to see that person.
- 4. We will not interpret what others say or mean. (We will ask them to interpret for us if we are unclear of their intentions.)
- 5. If something is confidential, we will not share it with anyone. Exception: If you are aware that a) someone is going to physically harm someone else; b) someone is going to harm herself/himself; c) a child has been physically or sexually abused, please consult with the clergy.
- 6. We will not read or react to unsigned letters or notes.
- 7. We will not act on anonymous complaints brought by others.
- 8. We will not manipulate. We will not be manipulated. We will not let others try to manipulate others through us.
- 9. When in doubt, we will just say what is on our minds. The only dumb questions are the ones that are not asked.
- 10. When in disagreement, we will say it. We cannot resolve issues that are left unspoken. We cannot work together without mutual understanding and trust.
- 11. Our relationships with each other are the most important asset in our community. So, if we have a concern, we will pray and then, if led, speak up.

OUR WHY: To Lead With Love

- Offering an inclusive, welcoming space for all.
- Seeking the holy in ourselves, each other, and the world.
- Making a difference in our community.

CORE VALUES

• ATTEND TO OUR SPIRITUAL LIVES

Through prayer, spiritual practices and formation, we weave our relationship with the Holy into the fabric of our daily lives. Prayer and discernment guide ministries and worship. (Foundational)

• CHOOSE LOVE

We act from love not fear; build bridges not walls. (Foundational)

CREATE AND SUSTAIN COMMUNITY

We gather and care for each other. We cultivate deep relationships. We will prioritize our relationships with each other over the differences that separate us. (Foundational)

WELCOME ALL

All means all and all are welcome. We promote an inclusive culture by 1) fostering the skills to shift our cultural perspectives and appropriately adapt our behavior to bridge cultural differences; 2) cultivating the self-awareness and empathy needed to value difference in working toward equity. (Missional)

HONOR DIVERSITY

All are welcome. Our leadership, worship, music and ministry initiatives will reflect our diversity. (Missional)

• PROMOTE THE DIGNITY OF ALL

Through formation, lobbying and other initiatives we prayerfully engage in social justice activities that promote and protect the dignity of all people. (Missional)

• CARE FOR CREATION

We value our interdependence with creation and recognize our role as stewards. We incorporate practices that protect, sustain, and nourish our fragile earth and her inhabitants.

• ENGAGE OUR NEIGHBORHOOD

We open our hearts and doors to our individual and church neighbors, strive to understand their needs and support them. (Missional)

NURTURE THE NEXT GENERATION

We offer, support and staff worship and formation opportunities for families and children. (Missional)

CULTIVATE BEAUTY

We tend to the beauty of our space, worship and music that evokes a sacred sense of awe, stillness and joy. (Missional)
